(ii) Detailed and accurate records in chronological order of the receipts and expenditures affecting the common areas, specifying and itemizing the maintenance and repair expenses of the common areas and any other expenses incurred, and copies of all contracts, leases, or other agreements entered into by the Board shall be maintained.

(iii) The minutes of all meetings of the Board which shall be maintained for not less than 7 years.

(v) With a written statement of a proper purpose, such other records of the Board as are available for inspection by members of a not-for-profit corporation pursuant to Section 107.75 of the General Not For Profit Corporation Act of 1986 shall be maintained.

(vi) With respect to units owned by a land trust, a living trust, or other legal entity, the trustee, officer, or manager of the entity may designate, in writing, a person to cast votes on behalf of the Member or Owner and a designation shall remain in effect until a subsequent document is filed with the Association.

(vii) With respect to units leased by its owner, such owner shall provide to the Board Secretary copies of such leases, including names and contact information of all parties to the lease.

(b) Where a request for records under this subsection is made in writing to the Board or its agent, failure to provide the requested record or to respond within 30 days shall be deemed a denial by the Board.

(c) A reasonable fee may be charged by the board for the cost of retrieving and copying records properly requested.

(d) If the Board fails to provide records properly requested under paragraph (a) of this Section 9.1 within the time period provided in that paragraph (a), the member may seek appropriate relief and shall be entitled to an award of reasonable attorney's fees and costs if the Member prevails and the court finds that such failure is due to the acts or omissions of the Board of Managers or the Board of Directors.

Finances

Section 10.1 Annual Budget and Special Assessments.

(a) Each member shall receive through a prescribed delivery method, at least 30 days but not more than 60 days prior to the adoption thereof by the board, a copy of the proposed annual budget together with an indication of which portions are intended for reserves, capital expenditures or repairs or payment of real estate taxes.

(b) The Board shall provide all members with a reasonably detailed summary of the receipts, common expenses, and reserves for the preceding budget year. The Board shall (i) make available for review to all members an itemized accounting of the common expenses for the preceding year actually incurred or paid, together with an indication of which portions were for reserves, capital expenditures or repairs or payment of real estate taxes and with a tabulation of the amounts collected pursuant to the budget or assessment, and showing the net excess or deficit of income over expenditures plus reserves or (ii) provide a consolidated annual independent audit report of the financial status of all fund accounts within the Association.

(c) If an adopted budget or any separate assessment adopted by the board would result in the sum of all regular and separate assessments payable in the current fiscal year exceeding 115% of the sum of all regular and separate assessments payable during the preceding fiscal

year, the Board, upon written petition by members with 20 Members of the Association delivered to the Board within 14 days of the board action, shall call a special meeting of the members within 30 days of the date of delivery of the petition to consider the budget or separate assessment; unless a majority of the total votes of the members are cast at the meeting to reject the budget or separate assessment, it shall be deemed ratified.

(d) If total common expenses exceed the total amount of the approved and adopted budget, the common interest community association shall disclose this variance to all its members and specifically identify the subsequent assessments needed to offset this variance in future budgets.

(e) Separate assessments for expenditures relating to emergencies or mandated by law may be adopted by the Board without being subject to member approval or the provisions of subsection (c) or (f) of this Section. As used herein, "emergency" means a danger to or a compromise of the structural integrity of the common areas or any of the common facilities of the common interest community. "Emergency" also includes a danger to the life, health or safety of the membership.

(f) Assessments for additions and alterations to the common areas or to Association-owned property not included in the adopted annual budget, shall be separately assessed and are subject to approval of a simple majority of the total members at a meeting called for that purpose.

(g) The Board may adopt separate assessments payable over more than one fiscal year. With respect to multi-year assessments not governed by subsections (e) and (f) of this Section, the entire amount of the multi-year assessment shall be deemed considered and authorized in the first fiscal year in which the assessment is approved.

Section 10.2 Management Company and Association Funds. A management company holding reserve funds of the Association shall at all times maintain a separate account for each association, unless by contract the Board of the Association authorizes a management company to maintain Association reserves in a single account with other associations for investment purposes. With the consent of the Board, the management company may hold all operating funds of associations which it manages in a single operating account, but shall at all times maintain records identifying all moneys of each association in such operating account. Such operating and reserve funds held by the management company for the Association shall not be subject to attachment by any creditor of the management company. A management company that provides association management services for more than one association shall maintain separate, segregated accounts for each common interest community association. The funds shall not, in any event, be commingled with funds of the management company, the firm of the management company, or any other common interest community association. The maintenance of these accounts shall be custodial, and the accounts shall be in the name of the respective common interest community association.

Such indemnification shall not be deemed exclusive of any other rights to which those indemnified may be entitled, under any agreement, vote of members, or otherwise.
